

## Lower Grammar Sample Lesson Plan for Week 21 of Year 2 Redesigned

On the following pages, you will find two sets of sample lesson plans for Week 21. If you have a copy of Year 2 Redesigned, we recommend that you print out this lesson plan and compare it with the Reading Assignment Chart (page 4) and the Weekly Overview Charts (pages 6-7). If you don't own Year 2 yet, you can access this week-plan's pages through the Sail to the New World CD or webpage and either print them out or look at them digitally.

For Week 21, we have taken the weekly assignments from *Tapestry* week-plan pages 4, 6, and 7 and broken them down into daily assignments. This is to show you how you might distribute assignments in a given week. Please note carefully the following:

- » Each family is different! You can always pick and choose, and tailor each week-plan to your family's individual needs.
- » We have only planned *Tapestry* subjects. You would need to add Phonics, Handwriting, Math, and Science lessons to your weekly schedule, if desired.
- » We have listed *all possible* disciplines, but your family may not want to do many of them. *Tapestry* plans are educational buffets from which one fills a plate each week. NO ONE FAMILY DOES ALL THE POSSIBLE ACTIVITIES LISTED in our plans.

### Layout

The sample lesson plans are written for you, the teacher, to read. We have left blank any squares where there is no *Tapestry* work given. Work that students can do independently is shown in **black ink**. Work that requires your direct supervision or participation is shown in **dark blue** ink. Since Lower Grammar students are, by definition, non-readers, teacher involvement is much heavier on this learning level than on any other.

### Pacing

*Tapestry* plans are written such that a family with high school students can complete all of world history, geography, literature, church history, fine arts, etc. in one four-year rotation. Many families who do not yet have a high school student choose to slow the pace of *Tapestry* week-plans down to half-pace. In this set of weekly lesson plans, you'll find two charts for Week 21 for Lower Grammar students. The first chart is an example of how you can do this week-plan at "regular pace," i.e. one week-plan in one school week. The next set of charts gives you two charts per week that show an example of how you can split each week-plan into two "half pace" weeks: You are doing one week-plan in two school weeks.

Please note that we suggest that you plan to go at the pace of your oldest student. Therefore, if you have a Rhetoric student that needs to earn a credit, he will need to go at regular pace, so we suggest that your younger students also proceed at regular pace. This will keep the whole family studying together, which is a major benefit of *Tapestry of Grace*.
