

WHAT'S OPTIONAL THIS WEEK, AND WHY?

- A Cry from Egypt* is listed as a Joint Read-Aloud selection in *Tapestry* for LG, UG, and D levels (page 4).¹
- A focus on memory work is always optional. (You may also choose to introduce *some* listed terms, but not all.)
- If you do not like the craft activity that we have chosen, see page 12 of *Tapestry*, Week 1, which lists more than one option. Always feel free to select others, or to not do any craft this week!
- Language Arts assignments:²
 - A Reason for Spelling* (Books A, B, or C): Lesson 1
 - A Reason for Handwriting* (Books A, B, or C): Lesson 1
 - Easy Grammar* series:
 - Grade 2 Daily Guided Teaching and Review Student Workbook*: Choose whether your child will do it orally or in written form. (This may change as the year progresses.) Either way, do Days 1-5.
 - Grade 3 Student Workbook*, assign p. 1-6

PREPARATION FOR WEEK 1: INGREDIENTS

- Here is a list of all possible Week 1 books:
 - The Ancient Egyptians*
 - The Nile River*
 - A Cry from Egypt*
 - Old Testament Days*
 - Illustrated Family Bible Stories*
 - If you are working through two-week plans: *Tapestry Primer Activity Book*, Mini-Unit 1
 - NOTE: You will need access to a child's atlas for this week's Geography assignments. We recommend *The Kingfisher Atlas of World History*. This is not listed in *Tapestry*, and any atlas will do.
- Your child will need a place to store work in progress, and a place to file completed work, such as a three-ring binder or file folder. Determine a system to begin the year. (You can always tweak/change it later!)
- The hands-on activity we have selected for you this week will need these ingredients:
 - Collect "regular supplies" that may be used each week in the future. Gather such items as scissors, paper, glue, markers, crayons, and colored pencils.
 - Your student will need a binder and coloring supplies.

PREPARATION FOR WEEK 1: TEACHER'S CHECK LIST

- Read the introduction to *Planning Aids* before you start to use them.
- Choose your plan(s) for the next week (or two) and print them if desired.
- Read the introduction to the week-plan, on page 11 of *Tapestry*, Week 1.
- Gather books and supplies needed for assignments that your children will do. These are listed above.
- From page 8 of *Tapestry*, choose the Writing level you will follow (Level 1, 2, or 3). Check to see if any *Writing Aids* Talking Points or graphic organizers will be needed, and print these. Then, follow only directions for your chosen level (L1, L2, or L3) when using *Planning Aids* charts.
- There is no Literature worksheet offered this week.
- Also, print the following from *Map Aids*:
 - Map(s) for the student: Ancient Africa, World
 - Map(s) for you, the teacher:³ Ancient Africa, World

1 As stated in the *Planning Aids* Introduction, because you do so much reading aloud to lower grammar students, we do not recommend that you do this assignment unless this child is listening with upper grammar siblings, or you want to have additional related materials to read aloud to your child

2 As noted in the *Planning Aids* Introduction, we have included assignment prompts and chart rows (but not details) for complementary Language Arts programs in the *Planning Aids* charts. Please re-read the Introduction for more details on these optional assignments.

3 You can look at answer key maps on your digital *Map Aids*, or you can print teacher versions and your student can use them as simple atlases.
