### **Dear Hostess,**

Thank you for hosting a Tapestry Tea! We pray that your experience is an enjoyable one!

**Before you have your Tea**, make sure that you have signed up for our Affiliate program. Any orders placed by your guests using your email address will result in credit for you. Visit [www.tapestryofgrace.com/TapestryTea](http://www.tapestryofgrace.com/TapestryTea) for more details.

Otherwise, prepare for your Tea by providing simple finger foods for a quick snack. You'll also want to provide Guest Packets that you can create yourself, or order from Lampstand Press.

Prepare for your Tea by thinking through your seating arrangements, so that your guests will be able to easily view the screen when you show the DVD or streaming video. You'll also want to display Tapestry material of your own. Make sure to visit our website to see what sales or specials we have available. This will be very valuable information to pass along to your guests.

**During your Tea** you have a great amount of flexibility. However, we do have some specific recommendations:

- Go through the material in the Guest Packet briefly, and let guests know that they can take it home for further perusal.
- Specifically highlight the supplements and resource book information in the Catalog.
- Make sure to show your own curriculum, supplements, books, and children's projects – this is a chance for them to get a hands-on look at the curriculum!
- Give guests a chance to ask questions! Feel free to point them to the Forum or Help Center at the Tapestry website.
- Make sure that your guests have your code and remind them to use it when placing their orders, so that you get credit.

**After your Tea**, try to follow up with your guests to see if they have more questions. There are several helpful links on the Tapestry Tea page of our website that you can share with them. Also, don't forget that there is no time limit for you to receive your Affiliate credit on guests' orders, but do double check and make sure they have your email address.

If you have any questions about your Tea, please feel free to contact me. I am glad to help you in any way possible.
